We have received the notification regarding your change of address.

Choosing a doctor in connection with moving

Please note that you must select a doctor **today (the same day you reported the change of address)**. If you opt to change your doctor at a later date, a fee will be charged.

If you do not select a new doctor, you will keep your current one.

If you wish to change your doctor you can do so free of charge as part of your move. However, you can only choose a new doctor for yourself and any children under 15 years of age living at home for whom you have parental responsibility.

Choosing a doctor for your spouse and children over 15 years old

Your spouse and children aged 15 or over can choose a doctor on [borger.dk](#) by visiting the 'valg af læge' ('choose a doctor') section.

Selecting a doctor is free of charge if they select 'Moving home' as the reason and make their choice **today (the same day the change of address was reported)**.

If they opt to change doctors at a later date, a fee will apply.

Click [here](#) to choose a doctor.
